Main areas

- Tax business clients
- Employment Law

Background

Sonia Márquez has a double degree in Economics from the Universities of Valencia and Exeter (England).

Expertise

Sonia Márquez has been part of our accounting team since 2020. She is responsible for corporate accounting, tax returns and providing clients with accounting and tax advice.

She has extensive professional experience in accounting for companies, both national and international. Thanks to a background in the auditing sector, she has gained valuable experience in the preparation of financial statements.

Languages

Spanish, English
