Background

Luis Bravo completed his law studies at the Universidad Complutense in Madrid in 1990. He then completed additional training in international and European law at the Universidad Carlos III in Madrid in 1991. He finished additional studies in international law in 1992 at the Ludwig–Maximilians–University in Munich.

In the course of his professional career he has worked in various international law firms in Madrid and Düsseldorf, always with a focus on German–Spanish relations.

Since 2017 he has been working with Lozano Schindhelm as an expert in labour law.

Expertise

Luis Bravo has over 25 years of experience in the fields of labour law and social security law. He represents and advises Spanish and international large and medium–sized companies, especially in the field of employment and dismissal, labour law sanctions, posting of employees. He also advises on social security and labour inspection issues. He has extensive experience in restructuring proceedings of companies and their staff for economic reasons.

Luis Bravo regularly gives lectures at congresses and legal events. His publications have appeared in legal journals such as "El Derecho" and "La Ley".

Since 1993 he has been admitted to the Madrid Bar Association. He is a member of the German Chamber of Commerce in Madrid.
