Background

From 2023: Cooperation with the firm Dike Schindhelm in the 'Tax' department.

From 2022: Cooperation with the Piasente firm of chartered accountants

Year 2022: Licence to practise as a chartered accountant

Year 2021: Master's degree in economics and Profession at the University of Bologna – School of Economics, Management and Statistics

Year 2019: Bachelor's degree with honours in Business Economics at the University of Bologna – School of Economics, Management and Statistics

Year 2016: Technical-commercial diploma: address International Relations for Marketing at the Institute of Higher Education J. M. Keynes, Castel Maggiore (BO).

Expertise

Within the scope of my work, I deal with tax and administrative issues addressed to an audience mainly composed of corporations, with specific reference to tax and administrative consultancy aimed at business planning both from a tax and operational administrative point of view. I deal with the management of debtor relations with the collection agency Agenzia delle Entrate Riscossione.

Lecturer in funded and non-funded training projects on accounting and tax law for small and medium-sized enterprises.

Languages

English, Italian, Spanish
